SMA hosts a series of events to promote excellence in public sector management. Most events and programs are open to members and non-members.

In 2013 SMA will introduce a new Leadership Program designed to promote a Community of Practice. More information about this program is available online.

SMA membership is open to all Public Sector employees, current managers and aspiring managers. For more information or to join, visit our website or complete our membership application.

If you have questions about SMA membership, contact any Board member or the SMA Executive Director.
